

EKA CORDURA® Holster

Product Description:

- The CORDURA® Holster is specially designed for the EKA 16", 21" and 26" batons.
- The CORDURA® Holster can be rotated 180° with 4 different locking positions, making it suitable to be worn on both sides of the body.
- Suitable for all belt types, Velcro® mounting allows for the CORDURA® to be worn without the need to remove belt or accessories.
- An adjustable strap allows the users to set the baton draw resistance to their individual preference
- The Cordura® holsters are known for their rugged and durable construction, made with materials that are known for high wear resistance as well as their outstanding performance in the field.
